

## **Ohio Medicaid Managed Care Organization 2025 Value Added Benefits Comparison: Ohio Medicaid Benefits for Pregnant and Postpartum Women and Their Babies**

The benefits detailed below are in addition to benefits that are required by the Ohio Department of Medicaid. All Ohio Medicaid plans must cover the following services delivered by providers (like doctors, dentists, nurses, etc.):

- Doula services as part of their provider network (availability by region varies)
- Lactation consulting (support for breastfeeding)
- Telehealth coverage (meeting with a doctor online or over the phone)
- Screening, diagnosis, and treatment services for children under 21 years old, under HealthChek, Ohio's Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Program
- Immunizations (vaccines)
- Contraceptive (birth control) services and support
- Two dental cleanings per year for pregnant members

All plans must also offer:

- Transportation support for healthcare visits
- 24-hour nurse advice line
- Breast pump and lactation/breast milk storage supplies

Please note that details about all benefits, including eligibility, how to access the benefit, and limits, are described in the member handbook provided by your plan:

- [AmeriHealth Member Handbook](#)
- [Anthem Member Handbook](#)
- [Buckeye Member Handbook](#)
- [CareSource Member Handbook](#)
- [Humana Member Handbook](#)
- [Molina Member Handbook](#)
- [United Healthcare Member Handbook](#)

All plan websites offer translation services for member materials.
