Health Plan Comparison

Purpose

The purpose of the Next Generation of Ohio Medicaid's Managed Care Organizations Health Plan Comparison is to help you select the health plan best suited to your needs. The Health Plan Comparison provides insights into the benefits all plans must offer. It also lists value-added services unique to each. As you consider your choice in managed care plans, take advantage of this guide and other resources available to you through the Ohio Medicaid Consumer Hotline.

The benefits detailed in this document are subject to change throughout the year. We encourage you to check with the Next Generation of Ohio Medicaid's Managed Care Organizations to locate the most recent information. You can find additional information in the appendix.

How can you choose a health plan?

Visit the Ohio Medicaid Consumer Hotline Portal at <https://members.ohiomh.com> where you can login and make a plan selection.

Call the Ohio Medicaid Consumer Hotline at (800) 324-8680. Representatives are available 7 a.m. to 8 p.m. Monday through Friday and 8 a.m. to 5 p.m. on Saturday. They can provide interpreters and answer your questions about how to select a managed care plan.

Definitions

Early and Periodic Screening, Diagnostic, and Treatment (EPSDT): EPSDT services, also known in Ohio as Healthchek, is a comprehensive Medicaid benefit package for individuals younger than age 21. **Under EPSDT, the service limitations described in this document may be exceeded based on medical necessity with prior authorization.** See Appendix for additional information.

Value-Added Services: Services provided by the Next Generation managed care organizations that are in addition to the required health services that all plans must offer. These services are not available in the Medicaid Fee-For-Service program.

Health and Wellness Program: Programs targeted at care for specific populations (babies, children, etc.) or for management of a chronic illness (asthma, diabetes, etc.).

Incentives to Strengthen Health & Well-Being: A reward for participation in and completion of specific services or activities specified by the Next Generation managed care organization.

Application or Online Services: Ability to engage with the Next Generation managed care organization in ways other than telephonically, such as: online member portal to view claims, enroll in incentives, print ID card, etc.

Nurse Advice Line: 24/7 advice line staffed with experienced staff of registered nurses who can assist members with triage care (deciding whether self-care, doctor care, or emergency care is appropriate), understanding a medical condition or recent diagnosis, preparing questions for an upcoming medical appointment, learning more about medications, and more.

Appendix

Paramount Advantage: Paramount Advantage Medicaid has been acquired by Anthem Blue Cross and Blue Shield (Anthem). Anthem is working with Paramount Advantage to continue providing healthcare coverage to Ohio Medicaid members.

Early and Periodic Screening, Diagnostic, and Treatment (EPSDT): EPSDT services, also known in Ohio as Healthchek, is a comprehensive benefit package for individuals younger than age 21 who are covered by Ohio Medicaid, including those covered by Medicaid Managed Care Organizations. The purpose of EPSDT is to discover and treat health problems early and provide further diagnoses and treatments if necessary to ensure younger individuals have the best health and development possible. Under EPSDT, service limitations described in this document may be exceeded based on medical necessity with prior authorization.

Transportation Services: Transportation services are paid for by the Next Generation of Ohio Medicaid's Managed Care Organizations and County Department of Job and Family Services Non-Emergency Transportation (NET).

Pharmacy Benefits: On October 1, 2022, the Single Pharmacy Benefit Manager (SPBM) vendor, Gainwell Technologies, began providing pharmacy services across all managed care plans and vendors. The SPBM is responsible for all pharmacy services with the exception of in-office physician administered drugs. The Next Generation Managed Care Organizations are responsible for in-office physician administered drugs. To learn more information about your pharmacy benefits, please visit <https://spbm.medicaid.ohio.gov/>.

Behavioral Health Services: The OhioRISE program launched on July 1, 2022 to help meet the needs of children and youth with complex behavioral health and multi-system needs. Learn more at <https://managedcare.medicaid.ohio.gov/managed-care/ohiorise>.
