

MyCare Ohio program

Managed care program designed for Ohioans who receive both Medicaid and Medicare benefits.

What benefits will I receive from MyCare Ohio?

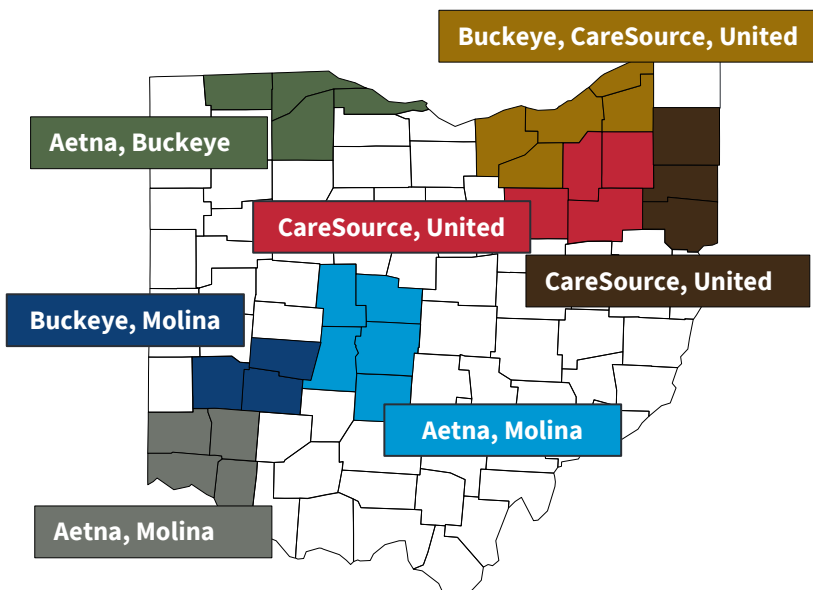

-  One care coordinator for both your Medicaid and Medicare benefits.
-  One organization responsible for both your Medicaid and Medicare benefits.
-  You only receive communications from one organization, alleviating confusion.
-  If you need to appeal a denial, you only need to contact one organization.

How do I know if I am eligible for MyCare Ohio?

To be eligible for the MyCare Ohio program, you must be:

- ✓ Eligible for the full benefit of both Medicare and Medicaid services;
- ✓ Age 18 and older; and
- ✓ Residing in one of the 29 counties where MyCare Ohio is currently available.
